

Happy New Year Church Family!

2 Corinthians 5:17 - Therefore, if anyone *is* in Christ, *he is* a new creation; old things have passed away; behold, all things have become new.

Aren't you thankful for how Jesus makes all things new? We have so much to be thankful for at Philadelphia Horseshoe Drive because God is doing a new work, creating new hearts, and giving us a new beginning! It is my great joy to be your Campus Pastor at the Horseshoe Drive location, and our family has officially moved into the parsonage next door to the church. We are so thankful for the love and encouragement that we have received, and we are overwhelmed by your generosity. We love our church family!

I truly believe that amazing days are ahead of us, and already we have seen God doing a new work in just these last 5 months. I love talking to other people about what is going on at our campus, because you just have to be there to experience it. This is such a special place where God has His hand on us, and I already have so many stories to tell of what He is doing. For instance, we have much to celebrate in just these last few months...we have seen 8 salvations, 8 baptisms, and 17 people join our church family!

That is reason enough to celebrate, but that's not all. The year 2020 might have been one of the most challenging ever, however God has accomplished even more great things on our campus like:

- The start of new small group Sunday School classes
- The beginning construction of a new driveway and parking lot
- New renovated lighting in our Sanctuary
- New renovated restrooms in the children/youth hallway
- The start of our new Saints Alive ministry
- The record crowd of over 1,200 people at Trunk or Treat

A wonderful Hanging of the Green service with the new "Lighting of the Church" event

God is so good! But now the year 2021 is before us, and our eyes must be set on Jesus. It is our goal to be faithful to the one who is forever faithful to us! We have a new opportunity to be that city on hill that can't be hidden as we strive to obey our Savior with our lives as a church family. There will be new opportunities coming that include new small group Sunday School classes, a new "We Care" ministry, new men's ministry, new leadership teams, and music and media improvements.

Church family, now is the time more than ever for people to know that Jesus loves them. We have the Incredible opportunity to be the hands and feet of God to a lost and dying world that is hurting and searching for answers. Angie and I are so honored to serve alongside a church family that loves like you do. So let our goal for 2021 be to love God, love Others, and show others God's Love!

Bro. Stuart
