The following information is based on the current recommendations and will remain in effect until those recommendations change.

Families or individuals will sit in designated seat groupings that follow social distancing guidelines. Welcome Center doors (**only**) will open 20 minutes prior to each service. No other outside entrances will be available.

### Tithes and Offerings

Offering baskets will be available in the Welcome Center. Thank you for your faithful obedience.

### Restroom Availability

Designated restrooms will be available with a limited number of people at one time.

### Masks?

The Governor's office has stated the following: "both the CDC and the Louisiana Department of Health strongly urge everyone to wear masks when in public." In keeping with the Governor's request, we urge our members to wear masks to worship, but worshipers who choose not to wear a mask will not be turned away.

### Childcare, Sunday School, Wednesday Evening Activities?

Childcare **will not be provided** for these services due to the challenges of social distancing with children, however please know they are welcome to participate with your family in the worship service. Children, Preschool, Youth and Adult Sunday School and Wednesday Activities will continue in a virtual/online capacity for the time being.

### Enhanced Cleaning for Your Safety

PBC takes your health and safety seriously and has implemented extra cleaning and disinfecting measures. To allow for cleaning between services, PBC is limiting access to specific areas of the church (ex., restrooms & sanctuary).

**Note:** Anyone who is sick or who is considered "vulnerable" to COVID-19 should NOT attend services in person. Worship services at both locations will continue to be provided online via our website, Facebook and Roku.
